

Table of Contents

List of Acronyms.....	i
Executive Summary.....	ii
1. Introduction	
1.1 Objectives	1
1.2 Methodology.....	1
1.3 Scope and limitations of the study.....	2
1.4 Population and household characteristics	3
2. Crop production	
2.1 Land acquisition mechanism.....	7
2.2 Crop types.....	7
2.3 Soil types.....	8
2.4 Land holding and location of plots.....	9
2.5 Crop calendar.....	11
2.6 Crop yields.....	11
2.7 Food Security	13
2.8 Coping mechanisms.....	13
2.9 Agricultural practices.....	14
2.10 Crop pests, diseases and weeds.....	17
2.11 Soil and water conservation.....	18
2.12 Spate irrigation schemes.....	19
2.13 Agricultural support services.....	21
2.14 Crop production constraints.....	25
3. Livestock production	
3.1 Livestock size.....	26
3.2 Grazing arrangement and livestock feed.....	27
3.3 Migration arrangements and seasons	28
3.4 Livestock health.....	29
3.5 Livestock production constraints.....	29
4. Recommendations	30
5. Annexes	
Annex I – Persons consulted during the study.....	i
Annex II – The study team members.....	ii
Annex III– Questionnaires.....	iii
Annex IV– Maps.....	xvi
Annex V– Spate irrigation Schemes in Gash Barka.....	xx
Annex VI– Veterinary Clinics in Gash Barka region.....	xxi
Annex VII – Animal numbers, 1997, 2004 and 2006.....	xxii
